ICIN 2010 – Final Deadline for Abstracts is Friday 7 May

The FiNAL deadline for ICIN 2010 extended abstracts is Friday 7 May. Prospective authors have until the end of 7 May to submit their extended abstracts through the EDAS (http://edas.info) manuscript registration system. Extended abstracts should be submitted electronically through EDAS at http://edas.info/N8600.

ICIN is the forum for people with a serious interest in telecoms and web services and service architectures. ICIN 2010 will focus on new applications formed by weaving together emerging network capabilities, computational power, network and customer data, and content in valuable new and different patterns.

ICIN 2010 extended abstracts are invited for three presentation categories:

1. **Technical Paper Sessions** – the core of ICIN, constituting at least 80% of the programme
2. **Work in Progress Sessions** – shorter contributions that report on work still in progress at the time of submission of the extended abstract
3. **Demonstration Sessions** – 'enhanced poster sessions' with the ability to present multimedia demonstrations

For more information please download the **Call for Papers** here.

Final deadline for extended abstracts: Friday 7 May 2010
ICIN 2010: October 11-14, 2010, Berlin, Germany

You will find instructions and additional information on our web site at http://www.icin.biz.
If you have any questions please contact cfp@icin.biz.
