

Weaving Applications into the Network Fabric

The Transformational Challenge

11-14 October 2010, Berlin, Germany

ICIN 2010 – Registration Now Open

Online registration is now open at Early Bird rates for the [ICIN 2010](#) conference **Weaving Applications into the Network Fabric**. Click [here](#) for details.

ICIN is the forum for people with a serious interest in telecoms and web services and service architectures. ICIN 2010 will focus on new applications formed by weaving together emerging network capabilities, computational power, network and customer data, and content in valuable new and different patterns.

- Check the [Programme](#) to see which papers reporting the latest industry research have been selected for presentation at ICIN 2010
- See details of [tutorials](#) and [workshops](#)
 - How Smart will Future Bit Pipes be?
 - Identity Management in Web 2.0 and Telecom
