

Realising the Power of the Network

Enabling the Internet of Everything

8-11 October 2012, Berlin, Germany

ICIN 2012 – Paper Submission Deadline is Monday 30 April

The **final deadline** for ICIN 2012, PACE12 and BMMP12 paper registrations and submissions is **Monday 30 April**.

Prospective authors now have until 30 April to submit their papers through the EDAS manuscript registration system. Papers should be submitted electronically through EDAS at <http://edas.info/N11703>.

The primary focus of **ICIN 2012** is voice, data or multimedia services for enterprises or consumers that make use of capabilities in the operator network. These are becoming increasingly important as the telecom industry transforms itself to meet the challenges and grasp the opportunities presented by OTT players and social networks.

For more information please download the **Call for Papers** [here](#).

ICIN 2012 has been **approved by the IEEE Communications Society** for technical co-sponsorship and presented papers will be published in IEEE Xplore.

You will find instructions and additional information on our web site at <http://www.icin.biz>.

Submission deadline for review manuscripts: **Extended (hard) deadline Monday 30 April 2012**
