

ICIN 2013 – Call for Papers deadline April 13

Prospective authors have less than a month left to submit their papers for **ICIN 2013**. ICIN is the home of international research on communication intelligence in advanced networks.

ICIN has a long track record of shining a light on bright new (and brave) ideas. It is a place for a meeting of minds, where everyone contributes and everyone learns more.

The primary focus of **ICIN 2013** is twofold, addressing both how to make networks smarter with a stream on the **transformation of Telcos' networks** and how to make smarter things with these networks with a stream on **the future of real-time communications**.

[ICIN 2013](#) will be held on October 14-17, 2013, in Venice, Italy.

Submissions should be made electronically through EDAS at <http://edas.info/N13971>.

Submission deadline: 13 April 2013

Notification of paper acceptance by: 4 June 2013

Final paper: 30 July 2013

ICIN 2013 has been **approved by the IEEE Communications Society** for technical co-sponsorship and presented papers will be published in IEEE Xplore.
